Commissioner Meeks stated City Administrative Assistant Witsman contacted Republic Services and they in turn provided three options as follows: they can continue to pick up the trash as usual and the city will repair the bad spots in the streets; an open dumpster can be placed at the end of the north or south entrance with residents hauling the totes themselves to the dumpsters; or stop picking up trash until the street is more solid after the winter weather is over. Commissioner Meeks asked for input from the Cherry Hill residents and encouraged the residents to please call city hall to convey their ideas to City Administrative Assistant Witsman.
