WABASH AREA DEVELOPMENT INC.

WADI is dedicated to improving the quality of life for our communities. We will do this by offering diverse services to the most vulnerable population, in an effort to attain stability. Through community collaboration, these services will be comprehensive and readily accessible.

Low-Income Home Energy Assistance Program (LIHEAP): Eligible income-qualified households may obtain utility bill assistance through their Local Administering Agencies.

Community Services Block Grant Program (CSBG): Community Action Agencies across the State provide a variety of CSBG services, including but not limited to, assistance with Rental/Mortgage, Food, Water/Sewer Payment, Employment Training/Placement, Financial Management, and Temporary Shelter. Each agency delivers locally-designed programs and services based on the needs of its community. If a particular service is not directly provided by your local Community Action Agency, you will be referred to one of our partner entities for further assistance.
