The FlightAware logo is set against a dark blue background. It features the word "FlightAware" in a white, sans-serif font. Above the letter "A" in "Aware", there is a white silhouette of an airplane in flight, leaving a dashed white line trail behind it. Below the main logo, the words "LIVE FLIGHT TRACKING" are written in a smaller, light blue, sans-serif font.

FlightAware
LIVE FLIGHT TRACKING

[FlightAware](#) is a global aviation software and data services company based in Houston, Texas, United States. The company operates a website and mobile applications which offer free flight tracking of both private and commercial aircraft around the globe. It is

currently the world's largest flight tracking platform with a network of over 23,000 ADS-B ground stations in 197 countries. [FlightAware](#) also provides services and data to aircraft and airport operators as well as other aviation organizations to assist in their operations. [FlightAware](#) provides enterprise services and tools to aircraft operators worldwide as well as flight tracking systems to airports in over 50 countries across North America, Europe, and Oceania.
