

Per city ordinances Structures on easements are prohibited.

Sec. 6-51

No structure of any kind or nature, including but not limited to buildings and outbuildings, shall be placed upon any utility easement in the city shown or recorded in the public records of Wabash County, Illinois.

Easements on properties are used for water mains, sewer mains, gas lines, electric lines, telephone, cable and internet.

It is the home owner's responsibility to know their property lines and easements before placing or building any structure or fence upon any platted easements. This includes structures on skids.

Easements can be found in the County Clerk's Office, or the County Assessor's Office.

A copy of the plat must be attached to the Utility Easement form.
